HOW TO SEND YOUR CASE TO MEDIMATCH

STEP 1

Request our welcome pack.

STEP 2

Attach completed lab docket and customer data form with your first case.

STEP 3

Connect your scanner to MediMatch (see how to connect your scanner on page 3). Send your digital impressions to the lab.

STEP 3B

Ensure all impressions have been disinfected and all models, and case components are packaged securely.

STEP 4

Go to www.medimatch.ie and select 'lab' to set up an account with an email address you want your monthly statements to go to (you may want to ask your accounts department to set this up).

MediMatch Dental Laboratory

MediMatch Dental Lab

HOW TO CONNECT YOUR SCANNER

3shape

- Configure
- Lab connection
- Add scan@medimatch.ie
- Go to communication
- scan@medimatch.ie
- Once connection is accepted click 'Refresh'

- "Lab info"
- "Add New Lab"
- Enter "scan@medimatch.ie"
- Set up your Ivoclar account
- Log in, go on account settings, click "submit"
- Click on cloud settings
- Click "Generate New API Key" then "Copy to Clipboard" and close
- Select "Send" from the Vivascan software settings submenu, click "cloud credentials"
- Enter your Ivoclar cloud username and paste the API in "API Key". Then close.
- To send a case select "MediMatch" from the laboratory section in the vivascan software.

ivoclar digital

- Send the serial number and postcode of your scanner to MediMatch scan@medimatch.ie and we will contact itero support on your behalf. Or contact itero support directly and ask them to add MediMatch.

MEDIMATCH COURSES
POWERED BY

DentUcation
HANDS-ON DENTAL COURSES

WHO ARE WE?

MediMatch Dental Laboratory is a leading provider of premium dental laboratory services dedicated to delivering exceptional quality and precision in every restoration. Founded on the principles of innovation, reliability, and client satisfaction, MediMatch has established itself as a trusted partner for dental professionals seeking superior prosthetic solutions.

Originating from MediMatch Dental Laboratory, the inception of **MediMatch Supplies** stemmed from a vision to offer enhanced support to dentists seeking to embrace the latest digital advancements. Initially focused on installing cutting-edge equipment and providing comprehensive training sessions to dentists, our services naturally evolved to encompass a broader spectrum of educational offerings. Over time, our dedication to empowering dental professionals led us to organize specialized courses covering a range of topics, including Exocad software utilization, intraoral scanning techniques, 3D printing technology, and milling processes. As these courses gained popularity and recognition within the dental community, we recognized the opportunity for further expansion and refinement.

In response to this growth and demand for advanced education, we underwent a transformation, refining and expanding our course offerings to better cater to the evolving needs of dental practitioners. Thus, **DentUcation** emerged as the culmination of our journey, reflecting our commitment to providing comprehensive and cutting-edge educational resources to dentists worldwide. All courses have been CPD approved by the CPD certification services and are taught by our hand picked Key Opinion Leaders (KOL's)

Founded in 2023, DentUcation is a pioneering platform dedicated to providing high-quality, affordable courses tailored for qualified dentists across Europe. Our unique approach to education sets us apart, offering a range of courses at prices that make continuous professional development accessible to all. At DentUcation, we understand the ever-evolving landscape of dentistry, and our mission is to empower dentists to thrive in their careers by enhancing their skills and knowledge.

OUR COURSE DIRECTOR

Dr Andrew El-Nazir, a trailblazer in the field of aesthetic dentistry. With extensive experience, Andrew has earned a reputation for his exceptional skill in the G-aenial Universal Injectable Composite technique. His courses have become highly sought-after, and for good reason!

Andrew brings to this role a passion for education, a commitment to excellence, and a wealth of experience in Dentistry.

All of our courses have been curated with Dr Andrew El-Nazir. DMD MFDS MSc Aesthetics (Kings), Clinical lead Banning dental group, Focus trainer, Smile Dental Group lecturer.
